Our Alma Mater

The youth that from his mother's home goes forth to
Whitehall high,
Can ne'er be said to wildly roam, or fade in clouds well
nigh;

So let us now the truth bestow, and here our altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

When poverty ensnares the home, poor girls will sob and
weep,

Or, if their strength won't let them come, they'll soon in
silence sleep;

And, so, with love and sacrifice, to her let's altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

Her graduates are strong and firm, and build both hearth
and home;

Her sons and daughters will each term back to her altars
roam,

And there will bend and bow and pray, until a shrine
they raise,

And their dear Alma Mater praise, their Alma Mater
praise.

—Heilman

(Tune: "Drink To Me Only With Thine Eyes")

Foreword . . .

When you sit in your arm chair, old and gray,
Longing for youth and a lost school day,
Reach for your "Whitehall" still on its shelf.
In pictured review, you'll find your old self;
And as you observe each page you turn
For that care-free feeling again you will yearn.

FRANCES E. OSWALD

To Miss Frances Oswald :

For her service to our Alma Mater, for her interest in and help to our own class in her capacity as faculty adviser, but more especially for her unstinted activity in guiding, aiding and directing all of us here at Whitehall High School, we, the class of 1947, proudly — yet humbly, dedicate our Whitehall.

Board of Education

The backbone of our American way of life is the citizen, who, because of an appreciation and understanding of current social life, takes an effective part in running a democratic society. Our Board of Education has set a truly fine example for us, the new generation of American citizens, toward the realization of civic responsibility.

Ours is a sincere appreciation of the time they gave unstintingly to the legal and financial administration of the schools of our township.

For their faith in the American way of life as evidenced in their assuming the responsibility of the success of our educational system, we are indeed grateful.

We, the class of 1947, salute them.

Senior Class History

At last the dreams of our freshman year have become a reality — we graduate. The members of the class of 1947 are ready and eager to take part in the activities awaiting us in the world today.

Although we prepare to take leave from our beloved Alma Mater, we shall forever remember and cherish the memorials of the pleasant and enjoyable hours spent beneath its portals.

It is our sincere hope that in the future the senior classes at Whitehall will be co-operative and successful in their projects and all their undertakings.

As a last gesture, we want to extend our sincere thanks and appreciation to the faculty for their efforts to make our years here at Whitehall pleasant and worthwhile. We would also like to thank our adviser, Miss Oswald, for her painstaking work in aiding us to overcome our numerous difficulties.

Junior Class History

At the end of our third year at Whitehall, we look forward to our final year and graduation with anxiety, mixed with sorrow for leaving our "Alma Mater."

Our class has been engaged in many activities in the school, which we view with pride. We have tried our best to cooperate with teachers, as well as the other classes.

We thank the graduating class for all the help and cooperation they have given to us and other classes.

To the class of '47, we give our best wishes, and we hope they enjoy their future years as much as they have enjoyed their four years at Whitehall.

Sophomore Class History

The class of '49 has completed the first half of its journey through high school. In those years we have absorbed much knowledge and intelligence.

Since entering Whitehall we have distinguished ourselves in all school activities and we will try hard to maintain this standard.

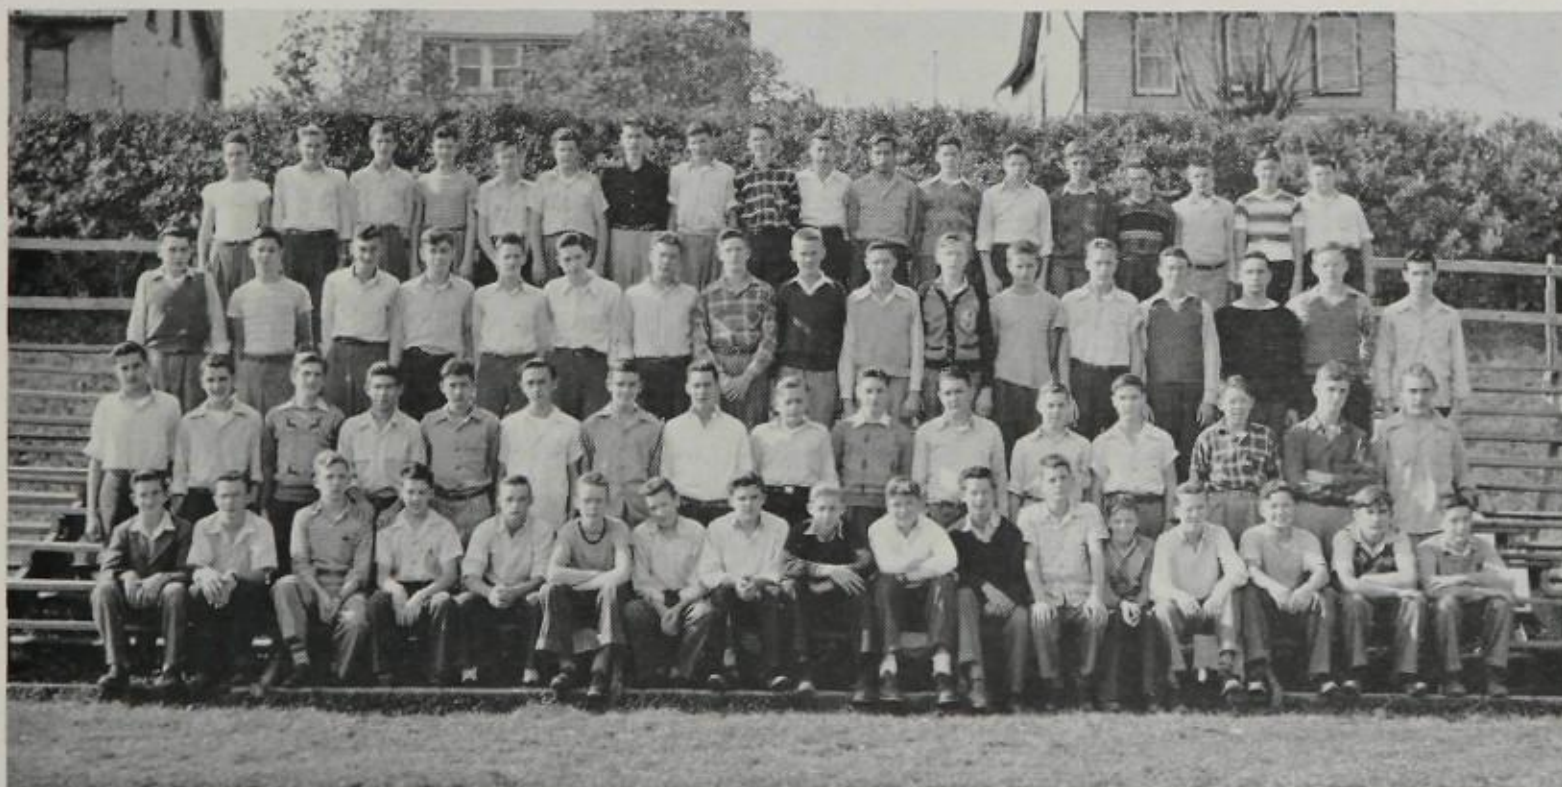

The achievements of the seniors, going before us, have been a great challenge to us, as we prepare ourselves for our final years at Whitehall.

Freshman Class History

We are the class of '50 — the first class to enter Whitehall since the end of World War II.

Our year has been touched with solemnity; our hearts filled with the earnest desire to live our first high school year to its utmost; and we have!

Through the whirlwind of football games, plays and dances, we held fast to the friendly hands of the upperclassmen. We have gratefully accepted the opportunities offered us and will do our best to continue to uphold the tradition of Whitehall.

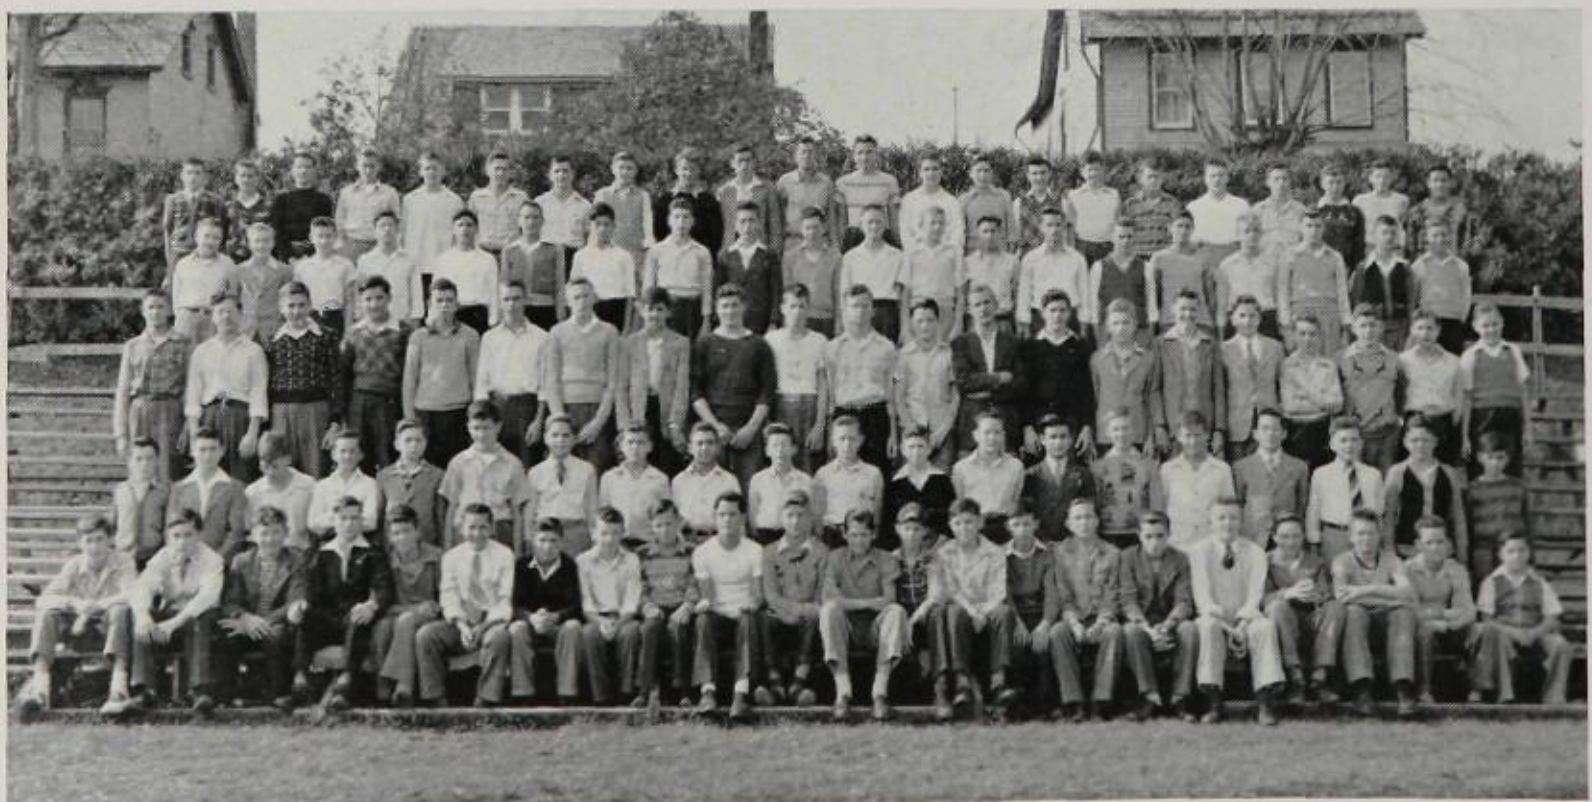

There will be another year, our sophomore year. May we enjoy every moment of that year, too. We have an even harder and more exciting year ahead in which to make the class of '50 a credit to her school.

Debate Club

The question which was debated throughout the Lehigh Valley this year was — Resolved: "That the Federal Government should adopt a system of medical care for all citizens of the United States at public expense." The Whitehall team debated this issue with South Whitehall, Hellertown, Slatington, and Catasauqua. At the end of the debating season a scramble debate was held at Slatington, being followed by a dinner and dance which were enjoyed by everyone.

Visual Education Club

This is a newly organized club, under the guidance of Mr. Snyder. Its purpose is to form a well-trained staff, capable of assisting every teacher in the school to make greater use of projected teaching aids.

Although the club is still in its infancy, the members have been given training in sharing responsibilities in properly caring for equipment and materials, and in the proper operation of the projectors. To accomplish the purpose of this club will require a great amount of experience, which, of course, will require much time and practice in using the projectors. However, within another year, the members expect to be able to use the equipment efficiently, so they can give their services to those teachers who may request them.

We, the senior members of the club, hope that the other members will achieve the purpose that we had hoped to accomplish during the past year.

Hi-Y Club

The Hi-Y Club is one of our oldest organizations. It is made up of boys from the Freshman, Sophomore, Junior, and Senior classes. At present there are 25 members.

The club's activities for the last year consisted of several joint meetings with the Tri-Hi-Y (corresponding girls' organization). The club also purchased and decorated the Christmas trees in the front of our auditorium, as well as conducted the "March of Dimes" campaign in the school.

The project of the Hi-Y, for this year, is to purchase a lectern Bible for assembly periods, to promote better sportsmanship, and to increase brotherhood here at Whitehall.

The graduating members wish to express their thanks to Mr. Faust, our faculty adviser, for his kind efforts and guidance. They also wish the remaining members a continued successful fellowship in the Hi-Y.

Whitehall Band

The 1946-47 edition of the Whitehall High School Band was one of the best in its history. Sixty high school students make up its personnel. Its marching at the football games was highly complimented by the patrons of the school. In the various parades, the band received the highest praise from judges and spectators. It won first prize in marching in the Slatington Hallowe'en parade. The members enjoyed themselves and played equally as well at a banquet in Castle Garden at Dorney Park.

The band received fifteen new uniforms from the Band Club and three majorettes were added near the end of the football season.

Girls' Basketball Season

Girls' basketball was revived this year after a sixteen-year lapse. Although victories were negligible, the season was considered a success. Combining a will to win, sportsmanship, excellent coaching, etc., the girls proved worthy to face all opposition. The experience gained this year will show in next season's win column.

Varsity Basketball Season

The "Zephyrs," under their able coach, Bob Steckel, enjoyed another successful season. The "Zephyrs" finished both the first and second halves in second place.

One of the tough breaks the scrappy cagers had was a 53 to 51 set-back at the hands of that outstanding Catasauqua team.

Players who will be lost to next year's squad include: Palco, George, Simmons, Spanitz, Matika, and Tomasic. Those players returning will include: Fisher, Peters, Stofflet, Madouse, and Hartzell. The remainder of the team is to be chosen from that outstanding Jay-Vee team.

The results of the games played follows:

Varsity "W" Club

The Varsity "W" Club consists of boys who have earned a varsity letter in the various sports, including baseball, football, and basketball. The club consists of thirty-three members, fourteen of whom are seniors. The club was active throughout the year, holding dances to raise money. The senior members were presented with Maroon and Gold sweaters.

Under the guidance of Mr. Nevins, the club promoted sportsmanship and fair play throughout the school year. We hope that this sportsmanship will be carried on by the coming members of the Varsity "W" Club.

When We Were Seniors

"GIRL-SHY"

Handsome Tom Arsdale and his lady-killer roommate, Oke, are on the verge of graduation from college. Tom has a terrific reputation as a woman-hater. He wishes he could stop being "girl-shy," and meet nice girls like — well, take Babs Sanford! His roommate, Oke, is a tremendous contrast to Tom.

Oke loves girls. He adores them. And he's faithful to two and three at a time. Thinking that Tom has a hate on women, Babs Sanford decides she'll do something about it. She manages to change places with the girl who cleans up Tom's and Oke's room.

This should give her a chance to work on girl-shy Tom — and it certainly does. The impression Babs makes on Tom when he first sees her is about as unnoticeable as two planets crashing in mid-air. Then, just as something beautiful starts to develop between Tom and Babs, in comes Tom's father with a girl from home.

Tom's father thinks the girl from home is just the girl for Tom. Babs is put on the spot when the girl she changed places with returns. The mix-up grows, and poor Tom wishes he could just evaporate out of it all. But the audience is glad he can't.

When We Were Juniors

"BEST FOOT FORWARD"

The boys at Winsocki Prep are making frenzied preparations to receive the girls who are coming up for the big annual dance. In the midst of the crackling lines and humorous discussion of dates comes Bud Hooper, who is plenty gloomy. His roommates finally find out the trouble. A month ago when they went to see a movie starring Gale Joy — the wham girl — the trouble started. Bud got carried away and he wrote the movie star, asking her to come to the prom. And she accepts! (They don't know how she needs a publicity break!) Bud has hastily written his regular date, Helen, that he has had an attack of the grippe and he expects to have it until after the dance. But, so that the faculty won't get angry, Bud tries to take the publicity-needing Gale Joy to the dance as his girl Helen — and then Helen arrives! Bud gets deeper and deeper into trouble, and the final happy solution that saves Bud from being expelled makes this the finest youthful comedy.

Christmas "Snow Ball" Dance

"Oh, how we danced" . . . at the Snow Ball, the Christmas of '46 dance, sponsored by the senior class. The lights were low, music was soft, and the old gym floor was waxed to a slippery finish.

The gang above looks dreamy as they glide across the floor. This scene is typical of the many successful dances the class of '47 promoted.

HOPE GRUVER (1947)

ELSIE YOST (1946)

GLORIA STEYERT (1945)

Queen of the Junior Prom

Miss Lucille Makovitz, of the class of 1945, originated the idea of selecting a queen of the Junior Prom.

The candidate is nominated by the senior class, and the senior class has the privilege of casting the votes. Miss Gloria Steyert, Miss Elsie Yost, and Miss Hope Gruver were the recipients of this honor in 1945, 1946, and 1947, respectively.

There is an impressive ceremony connected with the coronation. A fanfare is given by the orchestra, at which time the queen and her twelve attendants make their entrance and proceed with the grand march. The abdicating queen crowns the new queen and presents her with a gift from the senior class.

The class of 1947 has carried on the custom set by the class of 1945 and hopes that it will become a traditional ceremony of future classes at Whitehall High School.
